Subject: weekend event

Good afternoon Mike,

I am reaching out to you as the Public Safety Canada Chief Security Officer to touch base with you on ministerial Security related to the truck convoy demonstration planned for tomorrow in the NCR. I understand that the Minister is leaving the NCR and won't be in Ottawa this weekend so this might be a mute issue. Nevertheless, if there is anything you would like to discuss, I will be happy to make myself and my Security Operations team available for a discussion.

Also note, we have been in communication with the RCMP and will continue to do so. We also have open lines of communications with our colleagues in the Protective Operation Coordination Centre (POCC).

Thanks,

Patrick Amyot, CPA, CMA
